Re: Fund Year 4 FORM 471-Rejection Letter Appeal  
Letter dated July 26, 2001 - CC Docket Nos. 96-45 and 97-21  
Applicant's Form Identifier #471-01-94

Dear Schools and Libraries Division:

This letter of appeal concerns the following issues for Paloma School District, entity number 142994. As stated in the instructions on Block 5, page one, copies of the original form were necessary and each completed page was consecutively numbered to assure that all were processed correctly. In an attempt to avoid filling out each numbered page by hand the original page was copied using a computer and filled out with the aid of a spreadsheet. When copied using this method, however, 'FCC Form 471 - October 2000' that appears on the original form in the lower right hand corner was omitted.

I disagree with the decision stated in the rejection letter because the correct OMB-approved FCC Forms were used and all instructions were followed. Copying forms on the computer saves time, both for the applicant and the reader of the application. I feel that since the instructions on Block 5, page one did not specify what method of copying to use, that a rejection of our application is unwarranted due to the fact that correct OMB-approved FCC Forms were indeed used.

Sincerely,

A handwritten signature in cursive script, reading "Debbie Munoz".
